Mon., Nov. 21, 7 p.m. (Mineral Point) SPECIAL SHOWING OF "FARMAGEDDON"

To be shown at the Mineral Point Opera House, "Farmageddon" tells the compelling story of small, family farms that were providing safe, healthy foods to their communities and were forced to stop, sometimes through violent action, by agents of misguided government bureaucracies. Filmmaker Kristin Canty's quest to find healthy food for her four children turned into an educational journey to discover why access to these foods was being threatened.
